

Date of Council Meeting: December 12, 2012

**TOWN OF LEESBURG
TOWN COUNCIL WORK SESSION**

Subject: Supplemental Appropriation for Donations for Park Amenities on Town-owned Loudoun Street parcels at the entrance to the Town's parking facility.

Staff Contact: John Wells, Town Manager 

Fiscal Impact: No fiscal impact to the Town as this action relates to a donation of funds.

Background: On October 23, 2012 the Town Council approved a motion that provided funding for park amenities on the Town-owned Loudoun Street parcels located at the entrance to the Town's parking facility. That work, limited to a budget of \$2,500, has been completed. Since then, two individuals have offered up to \$2,500 each in potential donations to expand upon the initial work completed. If the Council is amenable to expanding the development of the parcels, a motion to authorize additional work would be in order. Staff will also contact the individuals and indicate that if donations are made, additional work can occur on the parcels.

Draft Motion:

I move that the Town Council authorize additional expenditures of donated funds (not to exceed \$5,000) on park amenities on the Loudoun Street parcels located at the entrance to the Town's parking facility.
