Fiscal Analysis: The Town of Leesburg will receive \$2,771.86 to maintain 0.26 lane miles of a new roadway.

Background: Requests to the Virginia Department of Transportation (VDOT) for addition of streets for maintenance payments are due in February 2013 in order for the streets to be eligible for maintenance payments at the beginning of FY2014. The Town has 49.05 lane miles of arterial roads and 200.08 lane miles of collector/local roads. Based on the attached tabulation, the Town will gain .26 lane miles of collector/local roads increasing the total lane miles to 200.34. The arterial roads will stay the same at 49.05 lane miles. The new total maintenance funds for FY2014 will be \$3,026,425.59 after VDOT approves the proposed additions.
