TOWN OF LEESBURG
TOWN COUNCIL WORK SESSION

Subject: Loudoun Street Pocket Park

Staff Contact: John Wells, Town Manager

Background: Over the past few years, the Council has had multiple discussions about the use of the Town owned property on Loudoun Street in front of the parking garage following the decision not to proceed with the expansion of Town Hall on that site The last action of the Council has been to develop the property as a pocket park with limited public funds and private donations.

At a recent Work Session before the holiday break, Council requested time be provided on the agenda to express their views and vision for development of the park. Based on the views expressed, the appropriate follow-up can be placed on a future agenda for action.
