ORDINANCE NO. \_\_\_\_\_

ADOPTED: \_\_\_\_\_

AN ORDINANCE: TO ADD AND AMEND TOWN CODE CHAPTER 24 (OFFENSES MISCELLANEOUS PROVISIONS); ARTICLE v (OFFENSES AGAINST PEACE AND ORDER); DIVISION 1 (GENERALLY) SECTION 24-182 (DECLARATION OF POLICY)

The Council of the Town of Leesburg in Virginia hereby amends and ordains:

**SECTION I.**

**Section 24-182.** Declaration of policy.

At certain levels, noise can be detrimental to the health, welfare, safety and quality of life of inhabitants of the town, and in the public interest noise should be restricted. Mass outdoor social gatherings, using amplified sound, ~~in this town, unless subjected to coordination and planning efforts with the town,~~ create excessive noise and related adverse effects for the citizens of this town. It is, therefore, the policy of the town to reduce, and eliminate where possible, excessive noise and related adverse conditions in the community, and to prohibit unnecessary, excessive, harmful and annoying noises from all sources subject to its police power.

*Definitions.* The following words, when used in this chapter, shall have the following respective meanings, unless the context clearly indicates a different meaning:

Commercial areas means all properties zoned for any business use.

Decibel means the unit of sound magnitude equal to twenty (20) times the logarithm to the base ten (10) of the ratio of the sound pressure being measured to a reference sound pressure, twenty (20) microwattons per square meter (20 micropascals).

*Excessive noise* means any sound which annoys or disturbs humans or which causes or tends to cause an adverse psychological or physiological effect on humans. Specific examples of prohibited excessive noise are set forth in subsection 24-182(3) of this chapter.

*Motor vehicle* means a vehicle defined as a motor vehicle by Code of Virginia (1950), § 46.2-100, as amended.

*Owner* means the person owning, controlling, or possessing land, premises, or personality.

*Person* means any individual, partnership, corporation, association, society, club, group of people acting in concert, or organization. This term shall not include the federal, state, county, town, city, or local government, or any agency or institution thereof.

*Plainly audible* means any sound that can be heard clearly by a person using his or her unaided hearing faculties. When music is involved, the detection of rhythmic bass tones shall be sufficient to be considered plainly audible sound.

*Public property* means any real property owned or controlled by the town or any other governmental entity or institution.

*Public right-of-way* means any street, avenue, boulevard, highway, sidewalk or alley.

~~*Real property boundary* means the property line along the ground surface, and its vertical extension, which separates the real property owned by one person from that owned by another person.~~

*Residential areas* refers to single-unit, two-unit, and multi-unit dwellings, in all residential zoning districts and residential areas of planned residential zoning district classifications, as set ~~forth~~ in the zoning ordinance.

AN ORDINANCE: TO ADD AND AMEND TOWN CODE CHAPTER 24 (OFFENSES MISCELLANEOUS PROVISIONS); ARTICLE v (OFFENSES AGAINST PEACE AND ORDER); DIVISION 1 (GENERALLY) SECTION 24-182 (DECLARATION OF POLICY)

Sound means an oscillation in pressure, particle displacement, particle velocity, or other physical parameter, in a medium with internal forces that cause compression and rarefaction of that medium, and which propagates at a finite speed. The description of sound may include any characteristic of such sound, including duration, intensity and frequency.

Sound amplifying equipment means any machine or device for the amplification of the human voice, music or any other sound. This term shall not include warning devices on authorized emergency vehicles, or horns or other warning devices on other vehicles used only for traffic safety purposes.

Sound level is the intensity in decibels of a sound.

Sound level meter is an instrument used for measurement of sound levels which meets the standards set forth in Code of Virginia of 1950, as amended, § 2.2-1112.

~~Town manager means the town manager or the chief of police, or their respective designees.~~

(2) Excessive noise—Punishments. Any person violating any of the provisions of this chapter shall be deemed guilty of a class 2 misdemeanor. Each day the violation is committed or permitted to continue shall constitute a separate offense and shall be punishable as such hereunder.

(3) Specific prohibitions. Subject to the exceptions provided in subsection 24-182(4), any of the following acts, or the causing or permitting thereof is declared to be excessive noise, constituting a class 2 misdemeanor and a public nuisance:

~~a. Radios, television sets, musical instruments and similar devices. Operating, playing or permitting the operation or playing of any radio, television, record, tape or compact disc player, drum, musical instrument, or similar device:~~

~~1. In such a manner as to permit sound to be heard across a residential real property boundary or through partitions common to two dwelling units within a building; or~~

~~2. In such a manner as to be plainly audible at a distance of 50 feet or more from the building in which it is located; or~~

~~3. When the sound is plainly audible at a distance of 50 feet or more from its source.~~

~~b. Loudspeakers, public address systems and sound trucks. Using, operating or permitting the operation of any loudspeaker, public address system, mobile sound vehicle or similar device amplifying sound therefrom for any purpose in such a manner as to permit sound to be heard across a residential real property boundary, or through partitions common to two dwelling units within a building.~~

a. In residential areas: To use, operate or play, or to permit the use, operation or playing of any radio, phonograph, television, record, compact disc or tape player, musical instrument, loudspeaker, sound amplifier or other machine or device capable of producing or reproducing sound in such a manner or with such volume or duration that it is plainly audible;

1. Inside the confines of a dwelling unit, house or apartment of another or through partitions common to two dwelling units within a building; or

2. In such a manner as to be plainly audible at a distance of 50 feet or more from its source, the building in which it is located; or

3. When the sound is plainly audible at a distance of 50 feet or more from its source.

b. In commercial areas: To use, operate or play, or to permit the use, operation or playing of any radio, phonograph, television, record, compact disc or tape player, musical instrument, loudspeaker, sound amplifier or other machine or device capable of producing or reproducing sound in such a manner or with such volume or duration that is plainly audible between 10:00 p.m. and 8:00 a.m., Sunday through Wednesday and between 11:00 p.m. and 8:00 a.m. Thursday through Saturday:

1. Inside the confines of a dwelling unit, house or apartment of another person; or
2. Inside the confines of a unit or building of another business; or
3. Through the partitions common to two units within a building; or
4. At a distance of 50 feet or more from its source.
5. Notwithstanding the above, at no time shall any person permit, operate or cause to permit a sound level emanating from a building, lot or outdoor space in a commercial area during the hours between 8:00 a.m. and 10:00 p.m. in excess of 70 dB(A), or between the hours between 10:01 p.m. and 7:59 a.m. in excess of 55 dB(A) when measured from any place in a residential area. A sound level meter shall be used to measure the sound level.

c. Gatherings of ten (10) or more people .To allow excessive noise between the hours of 10:00 p.m. and 8:00 a.m. Sunday through Wednesday and between 11:00 p.m. and 8:00 a.m. Thursday through Saturday that is plainly audible either inside the confines of the dwelling unit, house or apartment of another person or at 50 feet or more from the source when the noise is generated from a gathering of ten or more people in either residential or commercial areas.

d. Loudspeakers, public address systems and sound trucks. Using, operating or permitting the operation of any loudspeaker, public address system, mobile sound vehicle or similar device amplifying sound therefrom for any purpose in such a manner as to permit sound to be heard inside the confines of a dwelling unit, house or apartment of another person, or through partitions common to two dwelling units within a building or at a distance of 50 feet or more from its source.

ee. Horns, whistles, etc. Sounding or permitting the sounding of any horn, whistle or other auditory sounding device on or in any motor vehicle on any public right-of-way or public property, except as a warning of danger.

fd. Explosive, fireworks and similar devices. Using or firing any explosives, fireworks or similar devices which create impulsive sound in such a manner as to permit sound to be heard across a residential real property boundary or through partitions common to two dwelling units within a building, or on any public right-of-way or public property, in either case between the hours of 10:00 p.m. and 8:00 a.m. An exception to the hours limitation of this subsection may be granted by town council through a fireworks permit.

ge. Yelling, shouting, etc. Yelling, shouting, whistling or singing between the hours of 10:00 p.m. and 8:00 a.m. in such a manner as to permit sound to be heard across a residential real property boundary or through partitions common to two dwelling units within a building.

hf. Schools, public buildings, places of worship, and hospitals. The creation of any noise on the grounds of any school, court, public building, place of worship, or hospital, in a manner

that is plainly audible within such school, court, public building, place of worship or hospital and interferes with the operation of the institution.

**ig.** *Vehicles.* Operation of a motor vehicle or operation of a motorcycle within the town that creates mechanical or exhaust noise that is plainly audible at a distance of 200 feet or more from the vehicle. Operation of sound amplifying equipment in a motor vehicle at a volume sufficient to be plainly audible at a distance of 100 feet from the vehicle.

**ih.** *Construction.* The erection, including excavation, demolition, alteration, or repair of any building, street, public facility, or improvement between the hours of 10:00 p.m. and 6:30 a.m., except in the case of that it is in the best interests of the public, for public improvements and to provide for public safety, to perform the construction between said hours. The town manager shall have the authority to approve the operation of the construction equipment that may generate said noise. In considering the granting, conditioning, or denial of the permit, the town manager shall be guided by the following standards: (i) significant impact to businesses; (ii) pedestrian safety; (iii) traffic volume and traffic control safety; (iv) staff to endeavor to avoid night construction if possible; and (v) staff will notify affected businesses and residents are properly notified in advance prior to construction.

**ki.** *Pneumatic hammer, chain saw, etc.* The operation between the hours of 10:00 p.m. and 6:30 a.m. of any chain saw, pile driver, steam shovel, pneumatic hammer, derrick, steam or electric hoist, or other appliance unless as set forth in subsection 24-182(11).

**lj.** *Animals.* In addition to the prohibition set forth in ch. 4, art. II, subsection 4-35(6), the owning, keeping, or possessing of any animal or animals, which frequently or habitually howl, bark, meow, [and/or] squawk in such a manner as to permit sound to be heard across a residential real property boundary or through partitions common to two dwelling units within a building, for a period of time exceeding 30 minutes past sundown, unless authorized by separate ordinance.

1. This subsection shall not apply to any bona fide agricultural activity as defined in the Code of Virginia, title 3.5, ch. 4.5, or to an emergency vehicle which causes noise in the performance of emergency work.

(4) *Exceptions.* Subsections (3)a.—j. above shall have no application to any sound generated by any of the following:

- a. Sound which is necessary for the protection or preservation of property or the health, safety, life or limb of any person.
- b. Public speaking and public assembly activities conducted on any public right-of-way or public property.
- c. Radios, sirens, horns, and bells on police, fire, or other emergency response vehicles.
- d. Parades, fireworks displays, school-related activities, and other such public special events or public activities including town-permitted events.
- e. Activities on or in municipal, county, state, United States, or school athletic facilities, or on or in publicly owned property and facilities.
- f. Fire alarms, burglar alarms, and vehicle alarms, prior to the giving of notice and a reasonable opportunity for the owner or person in possession of the premises served by any such alarm to turn off the alarm, and if turned off within 30 minutes.
