**Executive Summary:** At the September 12, 2016, Town Council Work Session, Town Council asked about posting a “No Thru Trucks” sign on Route 15 Business southbound into Town from the bypass. Staff reviewed this area and there is an existing sign on Route 15 Business southbound which reads “ALL THRU TRUCKS OVER 10,000 LBS. GROSS PROHIBITED ON BUSINESS 15/7”.

**Background:** The Virginia Department of Transportation (VDOT) installed the “No Thru Trucks” sign on southbound Route 15 Business in March of 2007. Town Council approved a “No Thru Trucks” sign on Battlefield Parkway from Route 15 Business (North King Street) to Edwards Ferry Road on July 26, 2016. Town staff installed the last “No Thru Trucks” restriction sign on August 29, 2016.

Major Vanessa L. Grigsby has reviewed all of the signage for the no thru truck restrictions and has added this to the selective enforcement list.
